

The Mini Scroll

FROM THE Rabbi's Study

Welcome to Our Mini Scroll: Leaner but not Meaner

Shalom! Welcome to our new “*Mini Scroll*.” The pandemic is teaching us myriad ways to innovate and rethink the ways we have “always done things.” Our goal with the Mini Scroll is to highlight the handful of items that are happening soon, give us space to remember our loved ones who have yahrzeits during the coming month, and also highlight some pictures of the holy work of members and staff. Quarterly, we will have our larger scroll with articles, reflection on the past quarter’s activities – as well as more in-depth information about events happening in the upcoming quarter.

We are reflecting and trying to find the ways that Beth Shalom can have the biggest impact on our members. We understand that many of us are living in an age of “information overload.” This began long before Covid-19, and continues to affect all of us. One of the most painful aspects of the pandemic is loneliness. Ironically, by having too much information – this feeling of disconnection can actually be heightened.

So, we are trying to give you the most accurate, informative and timely information we can – so you have the easiest time to connect with other members, myself and Hazzan Ben-Yehuda, members of the staff, or members of the board of directors.

We are also working on making our website, our Facebook presence, and our “*Daily Connect*” emails reflect a more streamlined approach of getting our members the information that they need so that they can easily discover opportunities to connect with one another, connect with learning, connect with Jewish living, and connect with God.

We don’t actually think that God is checking the Beth Shalom website or our Facebook page. However, we have many opportunities to pray together, learn together, talk with each other over Zoom, our Livestream, and phone calls – and many of us find Divine Holiness in these encounters. Also, we are actively seeking safe ways to dip our toe into ways to come back into physical proximity – first with outdoor gatherings like the preschool concerts and an outdoor Friday night service. When we feel the viral risk is sufficiently low, we will begin finding ways to reconnect inside our building.

B’Shalom,
