Please contact [Melanie Maxwell-Shelkey](#) in our office for website assistance if you need it.

# **Better Together**

## *Jewish Living Experiences for*

### *Families with K-1 Children*

**Better Together** is an investment by Beth Shalom in families having joyful, meaningful Jewish Living Experiences at one of the most critical moments in raising children. **Better Together** is open to any Beth Shalom member family with at least one child in Kindergarten or First Grade.

As a **Better Together Family**, you are invited to:

- Six specially designed experiences with similar age families that are interactive, meaning-making and creative to help Jewish living come alive for each family. Each program will have clergy involved in that program.
- Be part of a cohort of similar age families that can grow together, build lasting relationships, and root your children's Jewish identity in positivity.
- Build family relationships with the Beth Shalom Clergy.

*Every **Better Together Family** who participates in at least 4 Better Together Experiences will receive a \$400 scholarship per k-1 student to either The Polsky School or HBHA.*

*For The Polsky School, this brings our \$580 tuition down to \$180 for the entire year.*
