

The Polsky Religious School

ENROLLMENT PACKET 2021-2022

Dear Parents,

Shalom and welcome! We look forward to a beautiful year of learning together. At our nationally-recognized religious school, we strive to pave the way for future generations of Jewish children to become committed and involved Jews. We instill a sense of Jewish pride by engaging our children with our rich Jewish heritage; Torah, Hebrew, Israel and Jewish ritual are the pillars on which our curriculum stands. Our faculty of outstanding teachers is eager to connect with your child.

Attached are your 2021-22 enrollment forms, please fill them out entirely (if you haven't done so already).

Parent Orientation

We will meet in person on **Sunday evening, August 15, from 7:00 – 8:30** to learn about the PRS program this year, and for parents to meet their children's individual teachers. Students do NOT need to be at this meeting.

Enrollment

If you had a child in PRS in 2020-2021, we have re-enrolled your child(ren) for the 2021/2022 school year. This means that we assume you are sending your child(ren) to PRS this year, and we are planning for them to return.

If you have decided not to re-enroll your child or children in PRS this fall, please email me before August 15.

Curriculum

The PRS curriculum focuses on acquisition of Hebrew reading skills required for Bar and Bat Mitzvah preparation and for full engagement in synagogue life as our children become Jewish adults. While our Hebrew classes focus on reading skills, we also expose our students to modern Hebrew phrases that they can use in the classroom so that they will develop a relationship with the Hebrew language.

The relationship with the Hebrew language is an entrance to their positive relationship with Israel. In every grade, students learn about Israel in different ways appropriate to their grade; from foods and music of Israel to the tremendous diversity of the population, to Israel's geography to her impact on the rest of the world, we instill in our students a love of the land, care for her people, and knowledge of the history of the modern State of Israel.

In each grade, students participate in a study of Jewish values informed by the Torah and our sacred texts. In the younger grades, students learn the basic foundations of Judaism through hands-on activities about Shabbat, holidays, and how we think about and engage with the world as Jews. We talk about and think about God, our responsibilities to each other, and how we take care of the world around us. As the students progress through the grades, the curriculum expands to include study of the Jewish life cycle, study of major events in Jewish history and the places where Jewish communities have thrived, understanding how our sacred texts developed and relate to each other, and, in the upper grades, how to face difficult issues using a Jewish lens to make good decisions, and ultimately, how to live a Jewish life when our children graduate and head to college and beyond.

Education Highlights

- **[Shalomlearning.org](https://shalomlearning.org)** – Some grades will continue to use the curriculum curated and supported by shalomlearning.org. We used this platform for the 2020-2021 virtual school year, and all of these lessons translate to in-person learning; many of our teachers will continue to utilize this curriculum.
- **Hybrid capability** – Every PRS classroom will have the capability for hybrid learning for the 2020-2021 school year, so that if and when your child is not able to come to the building, he or she can join the class via zoom. Classes will meet in person, but everyone will be able to participate every single week if they cannot come to the building. Since we have internet access in each room and either a computer or a tablet in each room, the learning will be augmented with appropriate on-line materials.

Tefillah / Judaica / Story with Hazzan will continue to be broken down into smaller groups so that younger students meet with Hazzan Ben-Yehuda separately from older students on Sundays.

Better Together

Jewish Living Experiences for Families with K-1 Children

Better Together is an investment by Beth Shalom in families having joyful, meaningful Jewish Living Experiences at one of the most critical moments in raising children. **Better Together** is open to any Beth Shalom member family with at least one child in Kindergarten or First Grade.

As a **Better Together Family**, you are invited to:

- Six specially designed experiences with similar age families that are interactive, meaning-making and creative to help Jewish living come alive for each family. Each program will have clergy involved in that program.
- Be part of a cohort of similar age families that can grow together, build lasting relationships, and root your children's Jewish identity in positivity.
- Build family relationships with the Beth Shalom Clergy.

Every **Better Together Family** who participates in at least 4 Better Together Experiences will receive a \$400 scholarship per k-1 student to either The Polsky School or HBHA.
