## **ENROLLMENT PACKET 2021-2022**

Dear Parents,

Shalom and welcome! We look forward to a beautiful year of learning together. At our nationally-recognized religious school, we strive to pave the way for future generations of Jewish children to become committed and involved Jews. We instill a sense of Jewish pride by engaging our children with our rich Jewish heritage; Torah, Hebrew, Israel and Jewish ritual are the pillars on which our curriculum stands. Our faculty of outstanding teachers is eager to connect with your child.

Attached are your 2021-22 enrollment forms, please fill them out entirely (if you haven't done so already).

# Parent Orientation

We will meet in person on **Sunday evening, August 15, from 7:00 – 8:30** to learn about the PRS program this year, and for parents to meet their children's individual teachers. Students do NOT need to be at this meeting.

## Enrollment

If you had a child in PRS in 2020-2021, we have re-enrolled your child(ren) for the 2021/2022 school year. This means that we assume you are sending your child(ren) to PRS this year, and we are planning for them to return.

If you have decided not to re-enroll your child or children in PRS this fall, please email me before August 15.

## Curriculum

The PRS curriculum focuses on acquisition of Hebrew reading skills required for Bar and Bat Mitzvah preparation and for full engagement in synagogue life as our children become Jewish adults. While our Hebrew classes focus on reading skills, we also expose our students to modern Hebrew phrases that they can use in the classroom so that they will develop a relationship with the Hebrew language.

The relationship with the Hebrew language is an entrance to their positive relationship with Israel. In every grade, students learn about Israel in different ways appropriate to their grade; from foods and music of Israel to the tremendous diversity of the population, to Israel's geography to her impact on the rest of the world, we instill in our students a love of the land, care for her people, and knowledge of the history of the modern State of Israel.

In each grade, students participate in a study of Jewish values informed by the Torah and our sacred texts. In the younger grades, students learn the basic foundations of Judaism through hands-on activities about Shabbat, holidays, and how we think about and engage with the world as Jews. We talk about and think about God, our responsibilities to each other, and how we take care of the world around us. As the students progress through the grades, the curriculum expands to include study of the Jewish life cycle, study of major events in Jewish history and the places where Jewish communities have thrived, understanding how our sacred texts developed and relate to each other, and, in the upper grades, how to face difficult issues using a Jewish lens to make good decisions, and ultimately, how to live a Jewish life when our children graduate and head to college and beyond.

## Education Highlights

- **[Shalomlearning.org](https://shalomlearning.org)** – Some grades will continue to use the curriculum curated and supported by [shalomlearning.org](https://shalomlearning.org). We used this platform for the 2020-2021 virtual school year, and all of these lessons translate to in-person learning; many of our teachers will continue to utilize this curriculum.
- **Hybrid capability** – Every PRS classroom will have the capability for hybrid learning for the 2020-2021 school year, so that if and when your child is not able to come to the building, he or she can join the class via zoom. Classes will meet in person, but everyone will be able to participate every single week if they cannot come to the building. Since we have internet access in each room and either a computer or a tablet in each room, the learning will be augmented with appropriate on-line materials.

**Tefillah / Judaica / Story with Hazzan** will continue to be broken down into smaller groups so that younger students meet with Hazzan Ben-Yehuda separately from older students on Sundays.

# The Polsky School Emergency Plans

## 2021-2022

You are at 14200 Lamar Ave, Overland Park 66223

913-647-7279 Congregation Beth Shalom

### **Serious Injury Plan:**

- If a student gets hurt beyond a scrape or a bump, the student will be brought to the director to assess the situation
- If the student cannot be brought to the director/coordinator, the director will be called to assess the situation. Should the injury be deemed serious, the parent will be called
- If the injury is not serious an accident form will be filled out and a copy will be given to the parent
- If the injury is serious enough that the student needs immediate medical attention 911 will be called and then the parent will be called.
- If a parent cannot be reached the emergency person will be notified immediately.
- The director or a designated staff person will stay with the student at the hospital until the parent arrives. The staff person will bring the student's folder to the hospital with them.,

### **Armed Intruder:**

- We will be having "safety drills" two times this year and will notify all teachers and parents when it is happening
- If there is an armed intruder in the building on the intercom for the entire building to hear it will be reported "there is an armed intruder in the building". Clear, direct language allows everyone to know what is happening as the armed intruder is already aware of their position.
- If you can get to the bathroom, take the students into the bathroom and install a barricade. Have the students as close to the middle of the bathroom as possible away from the door.
- Silence cell phones and similar devices
- Contact 9-1-1 and inform them of what is happening and where you are in the building
- Remain in place until you are instructed by the police that it is safe to leave the room. Do not respond to any unfamiliar voices until you can verify their identity, as it may be the shooter attempting to lure victims from safety
- Always follow the instructions of law enforcement. Keep your hands visible, and do not make any unexpected movements
- Read quietly to the students if they need to focus and be distracted

- If there is absolutely no opportunity to escape or hide, attempting to fight back or overpower the shooter may be your only option. This should be considered as a last resort.
- If you decide to flee...
  - Do not attempt to carry anything
  - Move quickly, keep your hands visible, follow instructions of any police instruction you are given
  - Do not attempt to move injured people. Contact 9-1-1 immediately, and notify them of the situation and the location of the injured individuals

### **Tornado:**

- Tornado drills will be twice a year and will notify all teachers and parents when it is happening
- During the drill students will gather in the bathrooms downstairs in a single file line and take cover.
- The director or coordinator are the only ones who will dismiss back to class and let everyone know when it is safe to return

### **Fire:**

- We will be having a fire drill twice a year and will notify all teachers and parents when it is happening
- Only the director or coordinator will be initiating the drill
- If a fire alarm is pulled or any panic buttons are pressed the director needs to be notified immediately
- There will be an attendance list on the back of your door that you will grab and take outside with you or in case of any emergency.
- When the fire alarm goes off, each class will move out of the building in an orderly fashion to their nearest exit. Once outside each class will collect their students in their own area. Take count of all of your students by saying their names out loud and asking them to answer "here". The director or coordinator will come around and check in with your attendance list. Once all classes have been checked in the director or coordinator will dismiss back to class. No one may enter the building after exiting the building for any reason until notified it is safe to go back in.

If you have any questions, comments, or concerns about any of our safety procedures please feel free to speak to the Director.

Best,

Hazzan Tahl Ben Yehuda

Director of Congregational Learning

## SCHOLARSHIP APPLICATION 2021-2022

Dear Parents and Scholarship Applicants:

One of the most endearing aspects of Beth Shalom Synagogue is the continued provision by many of its members for future generations. These scholarships are allocated in the form of grants, and are given on the basis of financial need.

Scholarships are only granted to those families who are in good financial standing with Congregation Beth Shalom or have made approved arrangements with the Congregation.
